Details of hire charges of Land Development Machinery

Sl. No.	Name of Machinery	Hire Charges (Rs. per hour- With Diesel)
1	Tractor	265
2	Bulldozer	670
3	Tractor mounted Combine Harvester	780
4	Class crop Tiger Combine Harvesters rubber track type	1130

3. National Agriculture Development Programme (NADP)

Name of Scheme : National Agriculture Development Programme (NADP)

Project Area : All Districts (except Chennai)

Details of Works :

Sl.No	Component	Item of works
1	Agricultural Mechanisation	a) Introduction of newly developed agricultural1 machinery / implements b) Popularising conventional machinery / implements.
2	Dry Land Development	1. Plastic lined farm pond with portable sprinkler unit b) Unlined farm pond c) Compartmental Bunding
3	Establishment of land resources inventory and GIS data base	Digitisation of cadastral maps of potential crop growing villages

Benefits offered (Subsidy) : 50% subsidy assistance is provided to farmers for purchasing newly developed agricultural implements such as mini combine harvester, multi crop thrasher, paddy transplanter , and 25% subsidy assistance is provided to farmers for purchasing conventional machinery / implements such as power tiller, rotavator, cultivator, offset disc harrow, disc plough etc.,

3. Schemes for Integrated Pest Management System: Kerala

Details of Schemes for Integrated Pest Management System

Particulars	Description
Name of the Scheme	Schemes for Integrated Pest Management System
Sponsored by	State Government
Funding Pattern	100% by State Government
Ministry/Department	Agriculture Department
Description	Of late, the share of high yielding varieties of seeds has increased by leaps and bounds in the total quality of seeds used in the State for cultivation of food crops. These high yielding varieties are susceptible to various pests. It is in this context that the agriculture department of Government of Kerala has proposed a scheme to establish a full-fledged system of pest surveillance in a phased manner, to cover major crops of the State. The thrust of the scheme will be on biocontrol measures from a long-term perspective. The main objectives of the scheme are: 1.To keep pests and diseases of crops below Economic Threshold level by adopting an integrated pest management practice. 2.Constant pest surveillance and monitoring to ascertain pest population 3.Creating awareness among farmers on the prominent pests and diseases, which cause severe damage to crops and suggest measures to prevent them. The total outlay of the scheme is Rs. 50.00 lakh
Beneficiaries	other,
Other Beneficiaries	Farmers
Benefits	
Benefit Type	Material,
Eligibility criteria	Any farmer.
How to Avail	By contacting the Department of Agriculture, and the concerned Panchayat.

Karnataka

Sl No	Name of the Scheme	Scheme Details	How To Apply

1.	Rashtriya Krishi Vikas Yojana (RKVY)	Aims at achieving 4% annual growth in the agriculture sector during the XI Plan period, by ensuring a holistic development of Agriculture and allied sectors.	Contact Ministry of Agriculture or concerned State Agriculture Departments http://agricoop.nic.in/Rkvy/Rkvyfinal-1.pdf
2.	National Agricultural Insurance Scheme (NAIS)	The aim of the scheme is to provide insurance coverage and financial support to the farmers in the event of failure of any of the notified crop as a result of natural calamities, pests and diseases. The scheme also encourages the farmers to adopt progressive farming practices, high value in-puts and higher technology in agriculture. This helps stabilize farm incomes, particularly in disaster years.	The scheme can be availed by contacting the Department of Agriculture and Cooperation or local self government institutions http://des.kar.nic.in/cis/Guidelines.pdf
3.	Minikit Programme for Rice	The objective of the scheme is to increase the productivity by popularizing the use of newly released hybrid/high yielding varieties and spread the area coverage under location specific high yielding varieties/hybrids.	The benefits of the scheme reach the farmers through State Departments of Agriculture. http://agricoop.nic.in/dacdivision/crop1.htm#d2
4.	Promotion of Integrated Pest Management	The scheme aims to popularize Integrated Pest Management (IPM) approach among farming community to promote use of bio pesticides by imparting training to master trainers, extension workers and farmers. Scheme is implemented in 21 States and one Union Territory with 26 Centres.	Persons to be contacted The Plant Protection Adviser Directorate of Plant Protection, Quarantine & Storage, Govt. of the India, N.H. IV, Faridabd-121001 (Haryana), Fax No. 0129-5412125, PH. No. 01295413985 01295413985 http://agricoop.nic.in/dacdivisi n/pp1.htm
5.	Gramin Bhandaran Yojna	The main objectives of the scheme include creation of scientific storage capacity with allied facilities in rural areas to meet the requirements of farmers for storing farm produce, processed farm produce and agricultural inputs. Also, promotion of grading, standardization and quality control of agricultural produce to improve their marketability. the scheme also aims at prevention of distress sale immediately after harvest by providing the facility of pledge financing and marketing credit by strengthening agricultural marketing infrastructure in the country.	This scheme can be availed by a group of financial institutions/banks listed under the scheme. http://agmarknet.nic.in/amrscheme/rural head.htm
6.	Pledge Loan Scheme	This scheme is in force since 1994-95 in 132 markets of the State. Loans up to Rs. 50,000-00 or 60% of the value of the agricultural produce may be paid to the farmers against the pledge of their agricultural produce. No interest will be charged for the first 30 days. Interest at the rate of 8% and 12.5% will be charged for the next two successive months .The scheme is for a short period of 90 days	http://maratavahini.kar.nic.in/apmc_eng/e_schemes.htm

Central Schemes

1. Institutional Credit Facilities

- Institutional credit is the vital factor in agricultural development.
- The National Agriculture Policy targeted annual growth rate of 4 percent over the 10th plan period.

- The Task Force on Agricultural Credit has given the main emphasis on adequate and timely credit support to the farmers, particularly small and marginal farmers for adoption of modern technology and improved agricultural practices.
- The institutional credit disbursed through co-operatives, Commercial Banks and Regional Rural Banks.
- The institutional credit to Agriculture is offered in the form of short term, medium term and long term credit facilities:

Short term and medium term loans

Name of Scheme	Eligibility	Objective/Facilities
CropLoan	All categories of farmers.	To meet cultivation expenses for various crops as short-term loan. This loan is extended in the form of direct finance to farmers with a repayment period not exceeding 18 months.
Produce Marketing Loan	All categories of farmers.	This loan is given to help farmers to store produce on their own to avoid distress sale. This loan also facilitates immediate renewal of crop loans for next crop. The repayment period of the loan does not exceed 6 months.
Kisan Credit Card Scheme (KCCS)	All agriculture clients having good track record for the last two years.	This card provides running account facilities to farmers to meet their production credit and contingency needs. Minimum credit limit is Rs. 3000/-. Credit limit is based on operational land holding, cropping pattern and scale of finance. The Kisan Credit Card is valid for 3 years subject to annual review. It also covers personal insurance against death or permanent disability for maximum amount of Rs. 50,000 and Rs. 25,000 respectively.

Long term loan

Name of Scheme	Eligibility	Objective/Facilities
Agricultural Term Loan	All categories of farmers (small/medium and agricultural labourers) are eligible, provided they have necessary experience in the activity and required area.	The banks extend this loan to farmers to create assets facilitating crop production/income generation. Activities covered under this scheme are land development, minor irrigation, farm mechanization, plantation and horticulture, dairying, poultry, sericulture, dry land / waste land development schemes etc. This loan is offered in the form of direct finance to farmers with a repayment span not lass than 3 years and not exceeding 15 years.

How to Avail - Selection of beneficiaries to be done through recommendation of District Agriculture Officer.

Top

3. Minikit Programme for Rice: Ministry of Agriculture

Sponsored by Central Government
Funding Pattern The programme is 100% funded by the Government of India.
Ministry/Department Department of Agriculture & Cooperation
Description The objective of the scheme is to increase the productivity by popularising the use of newly released hybrid/high yielding varieties and spread the area coverage under location specific high yielding varieties/hybrids.

Eligibility criteria All states are eligible to avail this scheme.
How to Avail The benefits of the scheme reach the farmers through State Departments of Agriculture

4. Minimum support price scheme

- Minimum price for a product,established by a government and supported by payments to producers in the event that the market price falls below the specified minimum price.
- A price support scheme can also be an agreement set in order by the government, where the government agrees to purchase the surplus of at a minimum price.
- For example, if a price floor were set in place for paddy, the government would be forced to purchase the resulting surplus from the paddy farmers (thereby subsidizing the farmers) and store or otherwise dispose it.
- The price support scheme is basically to ensure farmers a minimum support price which is worked out by the Commission for Agricultural Costs and Prices (CACP) set up by the Government of India.
- In the procurement operation, National Agricultural Co-operative Marketing Federation -NAFED appoints state level agencies in consultation with the State Governments who in turn involve their co-operative marketing societies for the procurement at the field level.
- This scheme safeguards the farmers' interest especially during periods of high production and crash in price.

Commodity	Variety	Minimum support price (2010-11)
Paddy	Common	1000
	Grade 'A'	1030

Top

5. National Agricult-ural Insurance Scheme (NAIS)
Beneficiaries:
Scheme is available to all farmers loanee and non-loanee both irrespective of the size of their holding.
Objectives/facilities:

- To provide insurance coverage and financial support to the farmers in the event of failure of any of the notified crop as a result of natural calamities, pests and diseases attack.
- To encourage the farmers to adopt progressive farming practices, high value in-puts and high technology in agriculture.
- To help to stabilize farm incomes, particularly in disaster years.
- General Insurance Corporation of India (GIC) is the Implementing Agency.
- Sum insured may extend to the value of threshold yield of the area insured.
- Provides subsidy of 50 percent in premium of small and marginal farmers. The subsidy will be phased out over a period of 5 years on sunset basis.
